Premier Education at Tickhill St Mary's CofE

Primary and Nursery School

We are proud to be providing the wraparound care on the school premises from January 2025 with provision being an extension to the school day - reflecting the school ethos, values and high standards.

Further more there will be no registration fees or deposits needed!

Over the past five years Premier Education have been running some of the largest wraparound care sites in the country, with up to 125 children attending some days. As you can see from the feedback below your child/ren will be in safe hands.

As a working mum, I am thankful to have access to the Premier Education Wraparound Care. The booking process is easily done online and there is the convenient option of a flexi booking. The staff are friendly, attentive, and engaged with the kids and there is a wide variety of activities available, both indoor and outdoor. I know my son is happy there as he sometimes complains that I come to collect him too early when I pick him up in the evenings.

Our Mission...

Our mission is to create a premium, Ofsted registered Wraparound Care facility, providing high quality out-of-school-hours care for the parents of children who attend Tickhill St Mary's CofE Primary and Nursery School. The before school and after school sessions will provide a range of stimulating and creative activities in a safe, secure and fun environment, providing an outstanding service for busy parents. The before and after school care will be available every day the school is open.

Our Staff...

They also hold the Paediatric First Aid qualification and a L2 Food Safety & Hygiene certificate. They are experienced in working with children in primary school environments. We call them Activity Professionals because we believe that this truly reflects the nature of their role and the dedicated approach they have to ensuring that your child learns, has fun, and is safe and well looked after.

Admissions...

Only children attending Tickhill St Mary's CofE Primary and Nursery School are eligible to attend the before school and after school care.

All places are subject to availability. The wraparound care provision is limited to 25 spaces on a first come first served basis.

Give your child a great start to the day

Evidence shows that introducing elements of physical activity and play to children before school starts can engage their minds and prepare them for the day ahead. The morning sessions will run for 80 minutes and aim to stimulate the learning experiences of your child.

Children who attend will enter school alert and ready for the day, having engaged their minds and body whilst learning a host of valuable skills including:

- *The importance of being punctual and well prepared for the day*
- *Being more alert for a day of learning within the school*
- *Understanding the importance of a healthy lifestyle*
- *Improved coordination, balance, agility and flexibility*
- *Appropriate and effective communication with others*
- *Engaging and interacting appropriately with other children*
- *Being given realistic challenges to achieve*
- *Using tactics and strategies to increase chances of success*

Breakfast brain power

We believe that it is important that children start the day with a good breakfast. Each day children will be served foods that are rich in grains, fibre and protein and low in added sugar to help boost attention span, concentration and memory.

Children will enjoy sitting down with their friends to refuel with toast, cereals, juice and water.

Staff are seated with the children during meal times to encourage a “family” type atmosphere. At least one member of staff holds a current Basic Food Hygiene certificate and all food and drink complies with dietary and religious requirements.

The after-school club reflects how important the school consider a healthy lifestyle to be, and therefore the activities are set up to engage the children's mind, body and soul.

The club will provide a relaxed environment to support children's learning and individual interests. Activities will be designed to be engaging and challenging for the ages and abilities of each child.

There will be a range of indoor and outdoor activities daily as well as a quiet area where children can relax and do some homework or reading if they wish. Children will be encouraged to take part in physical activity each day to help them stay fit, but also have some quieter activities with friends to recharge their batteries.

The fun, physical activities are designed to appeal to every child – not just sporty children. Our Play Active sessions encourage fun-based physical activities, rather than traditional sports. The aim is to encourage children to get physically active through play, placing emphasis on inclusion rather than specific sports skills and techniques. This, in turn, improves social skills, self-esteem, balance, coordination and physical wellbeing.

In addition, children will develop a wide variety of skills that they can use beyond the sports field, including...

- **Celebrating perseverance and acknowledging achievement**
- **Engaging and interacting appropriately with other children**
- **Setting achievable personal goals to reach**
- **Improving self-esteem and the confidence to try new things**
- **The ability to follow rules and respect themselves and others**
- **Understanding the importance of a healthy lifestyle**
- **Improving control, coordination, balance, agility and flexibility**
- **Communicating appropriately and effectively with others**

Children will have a wide range of activities to keep them occupied each day such as capture the flag, parachute games, archery, dodgeball, quiet reading, watching cartoons, playing board games or completing jigsaw puzzles.

Once a week we will also add specialist activities such as dance, yoga or cooking.

Planned Activities...

The after school club is an extension of the school day. With this in mind, it has been designed to run smoothly, whilst reflecting the school's outstanding quality

Our staff are trained to adapt each day based on particular children's needs or the weather. However, the structure and timing for each day will be consistent.

The activity table is an example of our schedule. Children will be allowed to dictate their own choice of activities, including free play, guided reading as well as our carousel of activities offered daily, to engage children of all ages, abilities, and interests. Activities will be designed to fit in with the schools termly theme, to compliment classroom activities.

Staff are seated with the children during meal times and encourage a “family” type atmosphere. All venue leads and assistants hold a Level 2 Food Hygiene certificate and all food and drink complies with dietary and religious requirements. Fresh fruit and drinking water is available to children at all times.

In the morning, parents must accompany their child to the side door to the hall where a staff member will greet them and check their ID if necessary. A staff member will then sign in the child on the register.

The process for signing out is the same as signing in with parents and carers collecting from the Premier Education entrance.

Parents will be asked to save the site phone number into their phones as a direct link to the venue.

If a trusted friend, adult relative or family member is collecting the child, the parent will inform us in the morning session, via email or with a phone call. Each child will have a collection password set up from their first session with us, and this will need to be quoted on collection.

Behaviour...

Whilst attending the after school club children are expected to:

- Follow the school values.
- Use socially acceptable behaviour.
- Respect one another, accepting differences of race, gender, ability, age and religion.
- Choose and participate in a variety of activities.
- Ask for help if needed.
- Enjoy their time at the club.

Positive behaviour is encouraged by:

- Staff acting as positive role models.
- Praising appropriate behaviour.
- Sticker rewards.
- Informing parents about individual achievements.
- Weekly awards given out during Friday's whole school assembly for exceptional accomplishments

Dealing with inappropriate behaviour:

Challenging behaviour will be addressed in a calm, firm and positive manner. In the first instance, the child will be given the opportunity to reflect on their behaviour and make the correct decision on how to behave moving forward. If a child doesn't choose to improve their behaviour it may be necessary for a child to be temporarily removed from the activity. Staff will explain why the behaviour displayed is deemed inappropriate. Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation. Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.

If, after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, after school club may decide to exclude the child. The reasons and processes involved will be clearly explained to the child and their parent/carer. All behaviour issues will be recorded.

First Aid...

All incidents are dealt with by a qualified first aider and will be recorded in the Wraparound Care accident book.

Incidents will be accurately reported to the parents/carer upon collection and signed by a member of either breakfast or after school club staff.

Accident records will give details of time, date and nature of the accident, details of the child involved, type and location of the injury, action taken, and by whom.

Parents of any child who becomes unwell during either breakfast club or after school club will be contacted immediately. If a child is sent home during school hours, the after school club will be informed of their absence by a member of the school admin/office staff.

Missing or Uncollected Children...

In the unlikely event that a child goes missing, the following procedure will be undertaken:

1. Senior school staff will be informed of the missing child.
2. Afterschool supervisors will search the inside of the building and delegate an outside search of the building to another member of staff.
3. If the child remains missing, the emergency services and parents/guardians will be contacted.
