Dear Mrs Sanderson,

I was delighted to learn your school showed an increase in the proportion of pupils achieving the expected standard in reading, writing and mathematics recently.

This is a really positive step in the right direction and I am sure you must be extremely proud of this progress.

Please pass on my congratulations and best wishes to all the children and staff who made this achievement possible.

Yours sincerely,

Nick Fletcher MP

Congratulations to everyone @ Tichhill St Mary's
an excellent start to the new year!
